Membership Form

Who are the Partners?

The Partners for the Environment is an alliance of nonprofit organizations, government and civic groups, businesses and public and private educational institutions that work within the communities of the Great Miami River and Little Miami River watersheds to promote “green” initiatives.

Any organization that works to protect, restore, preserve, and promote the environmental and agricultural resources and is interested in leveraging and maximizing their resources to further those goals is welcome to become a Partner.

Benefits of becoming a Partner

- Invitations to Partner meetings, including annual Awards Event
- Discounted training opportunities
- Opportunity to be recognized through Partner of the Year awards
- Monthly newsletters with announcements, events, and grant and training opportunities
- Promotion of your organization’s programs, activities, and media
- Strategic partnership with Dayton Regional Green
