College Navigator:

Searching by Programs and Majors, Instructions For Use:

1. Under States select Ohio
2. Enter zip code 45440 and 150 miles from the zip code
3. Select the Level of Award and the Institution Type
4. Select Browse for Programs: Find the program/major you are interested in by typing a keyword into the text field below, or Click open to drill down from the general categories, then Click add to place into Your Selections. Multiple selections will return schools with any of the programs added, unless the ALL these selections checkbox is ticked. Click the Distance Education checkbox if you are searching only for schools that offer your selections as distance education. If you select a general category, results will include schools with at least one of the category's programs/majors offered as distance education.
5. Close out of the Browse for Programs window
6. Select Show Results button
7. Select your desired School
8. Click on the Programs/Majors section. Scroll down to see available programs.
