AFRL/DAGSI Ohio Student-Faculty Competitive Research Fellowship

COMPETITIVE ODHE FUNDED PROJECTS ONLY

Application for Fellowship Renewal (2025 and 2026 PhD projects and 2026 MS projects)

There are three sections to the renewal application:

- Student section
- Faculty assessment
- AFRL research sponsor feedback and recommendation

(All three sections are required. Missing information will disqualify the applications.)

All three sections must be submitted to the DAGSI office no later than the deadline posted in the Program Schedule. The student and faculty sections should be submitted as one package. The AFRL section may be submitted as part of the package or sent separately. Submissions may be emailed (sandy.henry@soche.org).

All student applicants will be notified via email no later than the date posted in the Program Schedule.

All renewals require a cost share commitment. DAGSI's maximum contribution is $52,260 per year. The required cost share is one third of the DAGSI commitment, or $17,420 at the maximum DAGSI commitment. You must submit a new budget to reflect these and any other budget changes for the renewal year.

Students and faculty: DAGSI will inform AFRL of this process. However, it is your responsibility to ensure that your AFRL sponsor completes his/her section and submits it on time. Endorsement by your AFRL sponsor is critical to the outcome of your renewal application.

Part I. Graduate Student

Fellowship students: please complete the following.

Name _____

Current Mailing Address _____

Email Address _____

Daytime Phone Number _____

Year of Fellowship Award _____

Faculty Partner _____

Research Topic Number and Title _____

AFRL Directorate _____

Name of AFRL Research Sponsor _____

Requesting full or partial year renewal?_____

If partial, how many terms?_____

Information requested:

1. Outline your research plan for the next year (the anticipated tasks and timing).
2. Provide a brief statement about the value of this program to you personally and/or professionally.
3. Submit a revised budget. The form is available on the DAGSI web site.

Part II. Faculty Partner

Fellowship faculty: please complete the following.

Name _____

Current Mailing Address_____

Email Address _____

Daytime Phone Number_____

Student Partner_____

Student Partner's GPA _____

Assessment:

In no more than two pages (preferably one), add your perspective and assessment.

1. Briefly describe your involvement and work on the project.
2. Identify the major challenges.
3. List any publications tied to this project (include articles in progress as well as any already published).
4. Provide a brief statement about the value of this program to you professionally.

Part III. AFRL Research Sponsor Feedback and Recommendation for Renewal

AFRL research sponsor, AFRL/DAGSI Competitive Fellowship Program: please complete the following. You may also contact Sandy Henry, Executive Program Manager, by phone at 937-258-8890.

If you submit this separately from the Student and Faculty Sections, you may email (sandy.henry@soche.org).

Name_____

AFRL Directorate_____

Email Address _____

Phone Number _____

Research Topic Title _____

Names of Student and Faculty Researchers_____

Feedback:

Please provide your candid comments on the research project and its progress. Are you satisfied with the work being done and the progress being made both by the student and the faculty researcher? Are the communications between you and the university team satisfactory?

Recommendation for renewal: Yes _____ No _____
